

## ROCK SPRINGS VISITOR COMPLEX

Dear Chamber Supporter,

The Rock Springs Chamber is undergoing a massive transformation of its facilities. After 34 years in the current building, the time came to renovate and expand the “front door to our community.” The interior and exterior of the building have been completely changed. The adjacent park will soon have two covered pavilions, public restrooms, additional parking, and new modern signage. With over 25,000 visitors to the office each year, the facility was simply worn-out; and we were non-compliant for ADA and we had no public restrooms. With the generous support of several businesses and the City of Rock Springs the entire construction project is paid for fully by Wyoming Business Council Grants.

However, the Rock Springs Visitor Complex is in need of furniture, fixtures and some equipment. We are very grateful to our member businesses whom have already donated their time, services, or capital to make this project a reality. With the completion of the Visitor Complex, you will see a facility that reflects the progress and inclusive nature of our community. The Business and Economic Development Alliance will expand its role into programs dedicated to assisting the local economy and member businesses. The Chamber staff will be better suited to address the needs of our traveling public with an open floor plan concept that is inviting and offers all the assets to highlight the natural wonders of our area. For the general public and members alike, we will now have a dedicated counter to purchase tickets, gift certificates, and any other transactions efficiently with multiple pay options. The park area will become a central gathering place for activities and be a focal point as the front door to our community. The Chamber’s role has always been to promote the community, work to provide a strong economy, and represent our businesses’ needs to government. We also strive to be the catalyst for advancement of new ideas in our ever evolving community.

## ROCK SPRINGS VISITOR COMPLEX

We are requesting your assistance in moving our community forward by completing the Rock Springs Community Visitor Complex. There are several ways to support this effort.

1. **A cash donation that is tax deductible. Sponsorship levels and categories are attached.**
2. **Donation of equipment needed to complete the offices. A complete list of items needed is attached. Please contact our office for specific details. (389-3771)**
3. **Services that you can provide or would be willing to subsidize.**
4. **Adopt-a-flag program honoring our 56 nationalities. Flags we be on display at the newly renovated Visitor Complex Park.**

**Your donation is tax deductible**, we would be very happy to provide the Chamber's Tax ID number upon your request. We will gladly pick up your donation or make arrangements to have it delivered to the Community Visitor Complex.

Thank you for your donation and support of this exciting project. If you would like a tour of this project or have any questions, please feel free to contact Cindy Bailey or Dave Hanks.

Warm regards,
